A Wonderful Statement. Proprietors of Dullam's Great German

Remedies GENTLEMEN-I have for the past two years been troubled with a serious and very severe Liver and Stomach difficulty. Have had advice and medicine from our very best physicisms and only to be temporarily relieved. Some of my friends persuaded me to try your Great German Remedy for the Blood, Stomach and Kidneys and to my surprise after using three bottles I feel like a new man. If you desire you can use my name in print or by reference in any of the Grand Rapids, Michigas, papers, or any other papers, in the papers, or any other papers in the states, to convince the afficied that it is the best Blood, Liver and Kidney medicine on earth. I feel like a new man. Have lived here over forty years.

ANOTHER NEW DEPARTMENT ADDED!

SEWING MACHINES!

A large factory for the manufacture of Superior Sewing Machines has been erected at Toledo, O. This factory has had the object in view to turn out for the DRY GOODS SYNDICATE, of which we are members, a greatly superior sewing machine and claim they have been signally successful.

We have received a few of these machines and will introduce them to the public commencing this morning. The machine is fully waranted for five years, and each machine bears our brand.

===THE BOSTON A NO. I.==

The machines has three, five and seven draws, finished elegantly in oak antique or walnut. Miss Sullivan will show the superior points of these machines to all ladies wishing to investigate.

Points of Superiority of Our Sewing Machines.

HAS the latest design of bent woodwork, with skelehighly finished and the most durable made.

The stand is rigid and strong, having brace from over each end of treadle rod to table, has a large balance wheel with belt replacer, a very easy motion of treadle.

The head is free of plate tensions, the machine is so set that without any change of upper or lower tension you can sew from No. 40 to No. 150 thread, and by a very slight change of disc tension on face plate, you can sew from the coarsest to the finest thread.

It has a self-setting needle and loose pulley device on hand wheel for winding bobbins without running the

It is adjustable in all its bearings and has less springs than any other sewing machine on the market. It is the quickest to thread, being self-threading, except the eye of needle. It is the easiest machine in changing length of stitch, and is very quiet and easy running
